I. PRESENT POSITIONS

- a. Consultant Obstetrician & Gynaecology since 1982
- b. Professor since 1992
- c. Director, Center for Population & Reproductive Health 2004 - Till date

II. UNIVERSITY EDUCATION

- a. College of Medicine, University of Ibadan, Nigeria 1967 - 1974
- b. Aberdeen University, Scotland 1979 - 1980
- c. Johns Hopkins University, Baltimore, USA 2002, 2010

III. ACADEMIC QUALIFICATIONS

- a. Bachelors of Medical Science (Anatomy), 1972
Second Class Upper Division
University of Ibadan
- b. Bachelor of Medicine & Bachelor of Surgery 1974
University of Ibadan
- c. Certificate, Strategic Leadership and Management
for Health, Johns Hopkins University, Baltimore USA 2002

- d. Certificate in Special Health Leadership for Maternal, Child and Community Health 2010

IV. PROFESSIONAL QUALIFICATIONS

- a. Certificate in Family Planning (UK), Royal College of Obstetrics & Gynaecology And General Practitioners 1980
- b. Fellow, National Postgraduate College (FMCOG) 1981
- c. Fellow, West African College of Surgeon (FWACS) 1982
- d. Fellow, International College of Surgeon (FICS) 1988

V. SCHOLARSHIPS, FELLOWSHIPS AND PRIZES

- a. Federal Government Scholarships, Undergraduate Medical Education, University of Ibadan, Nigeria 1969 -1974
- b. Best medical students Dissertation in Obstetrics and Gynaecology, University of Ibadan, Nigeria. 1972
- c. Mark, Sharp and Dohme Travelling Fund to attend British Council Course 5 on Infertility London/Bristol, U.K 1985
- d. WHO Fellowship for Andrology Training, Nairobi Kenya 1985
- e. Training in Epidemiology, Nairobi, Kenya 1987
- f. J.H.P.I.E.G.O Sponsorship for Training In Reproductive & Sexually Transmitted Diseases 1986

VI. HONOURS & DISTINCTIONS

- a. UNFPA Award in Recognition of your Immeasurable contribution to the Success of The FISTULA FORTNIGHT in Nigeria- 2005

- b.** Kebbi State Government Commendation for “Hard Work, Commitment to Duty and Exemplary Service at the VVF Fistula Birnin Kebbi”
- c.** Distinguished Leadership in National Development Gold Award (D’ LINGA) 2010.
- d.** The Development in Nigeria Merit Awards (DINMA 2009)
- e.** Platinum Standard Publications Limited – The Nigeria Merit Gold Award (NIMGPA) 2009.
- f.** Nigeria Selfless Service Gold Award (NISSGA)/Public Lecture – November 2009.
- g.** Elation Magazine – Nomination in to the National Development Merit Awards (NDMA 2009)
- h.** The National Awards for Leadership in the Professions (NALEP) September 2008.
- i.** Times News 2008 Developmental Excellence Award
- j.** Elation Communication Ltd. – Nomination into the 2nd Royal Merit Gold Awards for Distinction (RMGAD 2008)
- k.** African Age International Achievers Gold Award for Excellence – April 2008.
- l.** Nomination into the Great Legends in Africa Gold Awards (GLAGA) 2008.
- m.** Elation Communication Ltd. Elation Communication Ltd. – Nomination into the Royal Merit Gold Awards for Distinction (RMGAD 2007)
- n.** National Associational of Resident Doctors (NARD) - Award presented for being Guest Speaker – September 2009
- o.** Award of Merit for contribution to the development of Public Health I Africa - presented by the Faculty of Public Health, College of Medicine, University of Ibadan.
- p.** Award in appreciation of his contribution to the outstanding achievements and financial support between 1st August 2002 – 31st July 2006 presented by The College of Medicine,
- q.** Alexander Brown Hall, University of Ibadan – Merit award presented by 2000/2001 Executive Council.
- r.** Alexander Brown Hall award presented in appreciation of his meritorious contributions towards development of A.B.H. –April 1998 –1997/98 Executives as Brwonite of Honour

International Appointments

- a. Member, Global Advisory Committee, Bill and Melinda Gates Foundation Program on Maternal, Newborn and Child Health
- b. Member Global Maternal Health Task Force, ENGENDER HEALTH, USA
- c. Chairman, Board of Trustees: Bode Amao Foundation. A N50.0 Million Endowment Awarding Scholarships to indigent Nigerian undergraduates

VII. MEMBERSHIP OF LEARNED SOCIETIES

- a. Member, International Society of Fistula Surgeons
- b. Member International Urogynaecology Association
- c. Foundation member, National Foundation on VVF
- d. Member, Society of Gynaecology and Obstetrics of Nigeria (SOGON)
- e. Member, International Society for the Study of Hypertension in Pregnancy
- f. Member, International Epidemiology Association
- g. Foundation and Council member, Nigeria Fertility Society
- h. Foundation member, African Fertility Society
- i. Member, Nigerian Society of Endoscopy
- j. Member, African Society for the study of Sexually Transmitted Diseases
- k. Member, Nigerian Society of Endocrinology
- l. Member, National Postgraduate Medical College
- m. Member, West African College of Surgeons
- n. Member, Nigerian Medical Association
- o. Member, International Society of Fistula Surgeons (ISOFS)

VIII. OTHER APPOINTMENTS WITH DATES

- a. Consultant to the John's Hopkins Programme for International Education in Gynaecology and Obstetrics. 2004 till date
- b. Director, STD Training Programme, University of Ibadan 1991 till date
- c. Director, WHO Collaborating Centre in Research and Research Training in Human reproduction 1991 till date

IX. TEACHING EXPERIENCE AT UNIVERSITY LEVEL

a. Post Graduate Level

- ✚ I participate in the training of postgraduate resident doctors for the FMCOG, FWACS, and MRCOG Programs by giving lectures, tutorials and conducting clinical teaching rounds. I have also participated in technical training of the residents.
- ✚ I have supervised and co-supervised many dissertations, M.Sc. and PhD thesis. In addition, I have also served as examiner in final assessment of M. Phil, PhD projects in various disciplines in the University such as Public Health, Health Education and Psychology.
- ✚ Since the past 20years, I have been involved in training Physicians, Midwives and Community Extension Workers in EOC services towards improving birthing and delivery processes and procedures. I have also served as Consultant and Facilitator to train Physicians and Nurses in **Management (including prevention and reintegration of Fistula Patients in Nigeria, Ghana, Ethiopia and South Sudan.**

b. Undergraduate Level

- I delivered lectures to, and conducted tutorials for medical, physiotherapy nursing undergraduates during my Degree Programme in Anatomy at the University of Ibadan - 1970-1971
 - I was a Demonstrator in Practical to Medical Physiotherapy and nursing students at the University of Ibadan, Ibadan. - 1971-1974
 - I delivered lectures in Reproductive Physiology and conducted clinical teaching and tutorials for medical students and student midwives during my residency programme - 1976-1981
 - I have been an examiner in undergraduate students' examinations in Obstetrics and Gynaecology since 1978.

- I currently give one lecture per week to medical students, conduct tutorial clinical and tutorial teaching sessions lasting about 2 hours .Student teaching is also conducted during obstetrics and gynaecology clinics and theatre periods. A weekly teaching ward round lasting about 2½ hours is also conducted.
- Iam actively involved in teaching and training of Medical Students, Nursing and Midwifery students, and students of Federal Training Centre for Teachers of Health Sciences

ADMINISTRATIVE EXPERIENCE

- ✚ **Sub-Dean (Undergraduate)** 1988-1990
Faculty of Clinical Sciences and Dentistry,
College of Medicine,
University of Ibadan
- ✚ **Acting Head,** 1991-1993
Department of Obstetrics & Gynaecology
College of Medicine, University of Ibadan
- ✚ **Director,** 1990
WHO Collaborating Centre for Research
And Research Training in Reproductive
Health, University of Ibadan
- ✚ **Director,** 1990 - Till date
STD Training Programmes
College of Medicine

University of Ibadan

✚ **Faculty Secretary,**

National Postgraduate Medical College, Lagos 1991- 1995

Faculty Board of Obstetrics & Gynaecology

✚ **Senate Representative on Board of Management**

1991-1994

University College Hospital, Ibadan

As Provost and Member of Board

1994-1998

✚ **Consultant-in-Charge,**

1992

Sexually Transmitted Disease Unit,

University College Hospital, Ibadan

✚ **Provost, College of Medicine,**

1994 – 1998

University of Ibadan

✚ **Acting Vice Chancellor,**

University of Ibadan, Ibadan

Dec 1995 March 1996

✚ **Head,**

Department of Obstetrics & Gynaecology

2003 - 2006

College of Medicine, University of Ibadan,

Director, Center for Population and Reproductive

Health, UCH, Ibadan, Nigeria

2004 to date

X. RESEARCH

In the past 5 years, I have been engaged with research into a number of interventional studies for reducing maternal/ neonatal morbidity and mortality with the objective of identifying or developing best practices for replication.

I have actively pursued the development of training manuals in reproductive health for health care providers. Training models have also been designed and tested.

a. Dissertations & Thesis

- ❖ Histochemical appearance of the anterior lobe of the pituitary gland of the male African lizard *Agama Africanus*. *Dissertation presented for the B.Sc. (Hon.) degree in Basic Medical Science (Anatomy) University of Ibadan. March 1971*
- ❖ Pre-eclampsia and eclampsia in Ibadan. *Long Obstetrics commentary of book of cases and commentaries submitted for the Part I finals of National Postgraduate Medical College Examinations in Obstetrics and Gynaecology - May 1979*
- ❖ Management and Complications of utero-vaginal Prolapse in Ibadan *Long Gynaecological commentary of book of cases and commentaries submitted for the Part I finals of National Postgraduate Medical College Examination May 1979*
- ❖ Effects of Maternal Protein Intake on the weight of off-springs at birth. *Dissertation submitted for the Part II finals of the National Postgraduate Medical College Examinations in Obstetrics and Gynaecology - November 1981*

b. Recent completed researches

- ✚ *Family Health and Wealth Survey* – It is 3-year International multi-country level research involving 10 African countries and China, that is been coordinated by the Director of Bill and Melinda Gates Institute, Johns Hopkins University, USA. The research hopes link family wealth with several reproductive health indicators using Global Information System for spatial analysis
- ✚ Community survey on urinary incontinence survey in Ibadan tagged “The Ibadan Urinary incontinence Household survey” – *design and facilitated the conduct of the study with over 5,000 respondents.*

- ✚ Use of Non-pneumatic Anti-shock Garment (NASG) in the management of Obstetric haemorrhage in Nigeria. It was a multi-centered quasi-experimental trial conducted in Nigeria. *I led the Nigerian team of researchers. The finding of the research has generated interest of international organizations such as WHO and FIGO resulting in their commitment to its incorporation into their policy document.*
- ✚ Assessment of the effect of psycho-social support during childbirth in Ibadan: A randomised controlled trial – *Design and coordinated the study*
- ✚ Social Support in Labour, as a catalyst for contraceptive uptake in Nigeria: a Randomised Controlled Trial –*design and coordination of the study*
- ✚ Community survey on the awareness and attitude of women to stillbirth in Ibadan. *Designed and coordinated the survey*

c. On-going Researches

- ✚ *Evaluation of the effect of pumpkin leaf on the haematological profile of pregnant women: A multicentered randomized controlled trial.* This study aims to evaluate use of supplemental vegetable as a cheap source of iron in the treatment of anaemia in pregnancy. The leader of the research team that developed the concept
- ✚ *The effect of pregnancy and childbirth on the risk of developing non-fistulous urinary incontinence among women: evidence from a randomized controlled trial.* It is a multidisciplinary operational research concept
- ✚ *The mental ill health patterns among obstetric fistula patients.* It is a multidisciplinary longitudinal study involving psychiatry unit.

XII.PROJECTS IN WHICH I HAVE SERVED AS DIRECTOR/CO-ORDINATOR/CO-INVESTIGATOR/CONSULTANT IN THE PAST FIVE YEARS

a. Consultancy

- ❖ Collaborating Centre on research, Development and Research Training in Human Reproduction - **Director**
Sponsors: World Health Organization, HRP, Geneva - Since 1991-to date

- ❖ Establishment of Life Saving Skills training Centre in Ekiti, Lagos and Ondo States
Sponsors: State Ministries of Health and UNICEF - 1999 – 2003 **Consultant**

- ❖ Establishment of Life Saving Skills training Centre and Expansion of EOC Services in Benue State
Sponsors: State Ministries of Health and DFID/PATH 2004- 05. **Consultant**

- ❖ Establishment of Life Saving Skills training Centre and Expansion of EOC Services in Taraba State
Sponsors: State Ministries of Health and World Bank Health Systems Development Project 2004- 05 **Consultant**

- ❖ Development of National Reproductive Health Policy Projects
Sponsors: Federal Ministry of Health - 2000
UNFPA WHO **Consultant**

- ❖ Training Curriculum for Reproductive Health for Midwives
Sponsors: FMOH - 2001
UNFPA
WHO **Consultant**

- ❖ Training and Update Training of TBAs and Community members on Reproductive health services
Sponsors: UNICEF - 1998 – 2001 **Consultant**

- ❖ Development of Adolescent reproductive Health Counseling Curriculum/Manual and Clinical Protocol
Sponsors: FMOH
UNFPA - 2001 **Consultant**

- ❖ Development of Training Curriculum and Modules on Life Saving Skills for CHEWs
Sponsors: FMOH - 2002
WHO **Consultant**

- ❖ Review of Standard of Practice for Family Planning Services in Nigeria
Sponsors: - FMOH - 2002
Vision Project/USAID **Consultant**

- ❖ Development of Job Aids for Reproductive Health Services
Sponsors: FMOH - 2002
WHO **Consultant**

- ❖ Development of Reproductive Health Strategic Framework and Plan
Sponsors: FMOH - 2002
Policy Projects/ USAID **Consultant**

- ❖ Evaluation of UNFPA 4th Country Programme of Assistance to Nigeria
I was the Team Leader for a team of the six national Consultants
UNFPA New York 2000

- ❖ Development of UNFPA 5th Country Programme of Assistance to Nigeria
UNFPA New York/ Abuja 2003

- ❖ National Leadership Training Program FMOH/ Gates Institute JHU, USA.

- ❖ Capacity Building /Training on Fistula management in South Sudan.
GoSS/UNFPA—2006, 2007, 2008, 2009.

- ❖ Training in Strategic Leadership and Management for Senior Health Officer at Federal and States in South Sudan.
GoSS/JICA 2009

- ❖ In addition, I have had extensive collaboration with the South-west zonal office of the National Primary Health Care Development Agency Ibadan for over 10 years (FMOH – Federal Ministry of Health)

b. [Project Scale-up Experience](#)

- ✚ **Expansion of EOC Services:** I served as consultant to develop the national training manual and curriculum for FP/ RH for various cadre of health professionals- midwives,

Community Health Extension Workers (Chews) and Physicians: These were used (tested) in selected locations before it was finalized.

Training was conducted in few LGAs in a couple of states and up scaled to other LGAs and States. Training are on-going in Kebbi, Sokoto and Katsina States

- ✚ **National Breastfeeding Program:** I served as a National trainer and resource person for the Nigerian Exclusive Breastfeeding Program 1991- 2000. Zonal/State trainers were developed and facilitated for the subsequent training at LGA and Health Facility levels.

- ✚ **National Program on Strengthening Strategic Leadership and Management**

This is a current initiative at building leadership and management capacity at all levels of healthcare including the household. Thirty National Trainers were trained by faculty from GI/JHU and the step-down training is on-going. By 26 June- July 2005, Parliamentarians from the House and Senate participated in a DFID/PATH supported program aiming to build Champions with credible voice to advocate for reform in the health sector, particularly in support of RH. This activity is in collaboration with FMOH,GI/JHU, JHUCCP and the Center for Population and Reproductive Health, University of Ibadan.

- ✚ **Collaboration with NGOs:** Various sections of this resume highlights active collaboration with Development Partners such as WHO, USAID, DFID Unicef, UNFPA etc, and national/ international NGOs such as PATH, PPFN, Society for Family Health (SFH), Association for Reproductive and Family Health (ARFH), MSH etc.

- ✚ In addition, I am actively engaged to consult for most state governments in Nigeria including Lagos, Ogun, Oyo, Ekiti, Ondo, Delta, Benue, Taraba, Kogi, Kebbi, Sokoto and Katsina States. Moreover, I have strong linkage with Kano State where I worked early in my career 1975- 1976. **I have received series of commendations from some state governments**

c. Relevant National/International policies documents and programme to which I contributed and/or served as consultant during implementation

- ✚ The National Health Policy and Strategy 1988, 2000

- ✚ National Policy on Population for Development, Unity, Progress and Self Reliance - 1988, 2001
- ✚ National Adolescent Health Policy 1995, 2000

- ✚ National Population Working Group - 2000
(This Committee has just revised the National Policy on Population for Development)
- ✚ National Reproductive Health Working Group, 2000
(I served as Chairman: \task Force on Capacity Development)
- ✚ Strategic Pathway for Contraceptive Commodities Logistic and Security - 2002(I served as members of the Capacity Development Committee)

- ✚ National Safe Motherhood Committee

- ✚ I am a principal member of this national Safe Motherhood advocacy body and Chairman for South- West Zone covering 8 States.

- ✚ Volunteer Fistula Surgeon in Kano, Katsina, Birnin Kebbi and Abakaliki

XIII. INTERNATIONAL CONFERENCES ATTENDED WITH DATES IN THE LAST 5 YEARS CONFERENCE AND SEMINARS ATTENDED WITH DATES

(a) International conferences

- ❖ 2006: Federation of International Gynaecology and Obstetrics Conference (FIGO), Kuala Lumpur, Malaysia.
- ❖ 2008: West African College of Surgeons Conference (WACS), Freetown, Serria Leone

- ❖ 2008 International Conference on Youth Deliver the Future organized by Johns Hopkins in Collaboration with Centre for Population and Reproductive Health, University of Ibadan and Obafemi Awolowo University Ile Ife at Abuja (Chairman LOC)
- ❖ 2008 International Stillbirth Conference, Nov 5 – 7, 2008 Oslo, Norway, organised by World Health Organisation and International Stillbirth Alliance.
- ❖ 2009: Federation of International Gynaecology and Obstetrics Conference (FIGO), Cape Town, South Africa.
- ❖ 2008 & 2010: Women Deliver Conferences, Washington DC, USA
- ❖ 2010 International Family Planning Conference, Uganda

(b) Major conferences attended in Nigeria

- 🇳🇮 November 2004. 38th Scientific Conference of SOGON (Makurdi Nigeria)
- 🇳🇮 November 2005. 39th Scientific Conference of SOGON (Ibadan)
- 🇳🇮 November 2006. SOGON 40th Scientific Conference (Abuja).
- 🇳🇮 November 2007. International Conference of African Medical Association held at National conference Centre Abuja.
- 🇳🇮 November 2007 41st Scientific Conference of SOGON (Benin City)
- 🇳🇮 November 2008 42nd Scientific Conference of SOGON (Enugu)
- 🇳🇮 November 2009 43rd Scientific Conference of SOGON (Kano)

Some Grants Awards received and/or facilitated in the last 5 years

	<u>Year</u>	Amount
1. Bill and Melinda Gates Institute, Johns Hopkins University, Baltimore, USA	2004/2005	\$1,100,000.00
2. Mac Arthur Foundation Chicago, Illinois, USA Interventional Studies on the Non-Pneumatic Anti-shock Garment 2006		\$800,000.00

3.	UNFPA Country Office, Nigeria	2005-2007	\$300,000.00
4.	Mac Arthur Foundation Expansion of use of Magnesium Sulphate in Nigeria (Grantee: Federal Ministry of Health)	2007	\$500,000.00
5.	Mac Arthur Foundation Further study on NASG and Clinical Introduction (Grantee: Pathfinder International)	2007	\$11,000,000.00
6.	Bill and Melinda Gates Institute, Johns Hopkins University, Baltimore, USA Training and Capacity Building For Research,	2009	\$1,100,000.00
7.	Modular Training Grant in collaboration With University of Chicago from National of Health, USA	2010	<u>\$1,900,000.00</u>

Total **\$16,700,000.00**

Sixteen million, seven hundred dollars (US).

Relevant Activities and Efforts at developing and supporting University College Hospital to be flagship Health Institution and a Quaternary Care Hospital in the past.

1. As Acting Head of Department and Director of WHO Centre for Collaboration in Research and Research Training (1991 – 1992)

- Establishment of Radio Immunoassay Services in Obstetrics and Gynaecology Laboratory
- Training of Senior Laboratory Staff in Andrology, Radioimmunity Assay (now part of Nuclear Medicine)
- Training Workshops in Research Methodology and attracting Research grants
- Proposal to commence In-vitro Fertilization and other Assisted Reproduction by inviting Dr. Ibrahim Wada (now the foremost ART Practitioner in Nigeria) to visit the Hospital towards his engagement
- Establishment of the first unit of Assisted Reproduction /IVF in any public institution in Nigeria
- Attracted Funding into the Institution as listed below.

2. [As Provost College of Medicine 1994-1998](#)

- Further staff training and commencement of Masters Program in Reproductive Health in line with the current vision of the Board of Management
- Further development of Institute of Advanced Medical Research through expansion of facility and provision of the First internet connectivity on the campus.
- Development of Ibarapa Program Infrastructure
- Skills and capacity building of members of staff – clinical, academic and administrative
- Receiving grant support for Research
- Attracting Endoscopic equipment donation to the Hospital for thoracic surgery and equipment for Neurosurgery from Michigan University, U.S.A.

3. During the Period 2000 – 2010

- Gates Institute Grant support for developing Masters in Population and Reproductive Health in six departments.
- Grant support for collaborative Research in Population and Reproductive Health across about 10 departments
- Grant support for Breast Cancer Research
- Development of Research Laboratory for gene extraction and genetic analysis through research collaboration with University of Chicago
- Grant support from Mac Arthur Foundation for research on Non-Pneumatic Anti-Shock Garment in Partnership with University of California San Francisco
- Awarding Grant for Training, Research and Research Training to students, Residents and Consultants with funds from the Gates Institute, Johns Hopkins University, U.S.A.
- Through various Participation and collaboration, further Training of Residents and Consultants in chosen area of specialty in the following departments
 - Obstetrics and Gynecology
 - Child Health
 - Community Medicine
 - Demography
 - Health Promotion and Education
 - Nutrition
 - Medicine
 - Surgery
 - Radiotherapy
 - Psychiatry
 - Haematology

- Pathology
- Pharmacy (UI)
- Production and manufacture of Magnesium sulphate by Pharmacy Department U.C.H. for the country
- Visit to the Hospital by Eminent National and International Partners
 - Bill and Melinda Gates Institute, Johns Hopkins University
 - Country Representative of United Nations Funds for Population Activities
 - Prof. Bernie Guyer, Chair Department of Population and International Health, Johns Hopkins University, Baltimore, USA
 - Prof. Amy Tsui, Director, Gates Institute, Johns Hopkins University, Baltimore, USA.
 - Global Health Initiatives, University of Chicago, Illinois, USA
 - Global Health Imperative and Program for Women Health, University of California, San Francisco, USA.

PUBLICATIONS IN JOURNALS, CONFERENCE PROCEEDINGS, PUBLISHED ABSTRACTS & TECHNICAL REPORT & DOCUMENTS

a. PUBLICATIONS ON UROGYNAECOLOGY (INCLUDING OBSTETRICS FISTULA)

I have been involved with both operations and clinical research on incontinence leading to several scientific publications many of which have formed the basis for new management protocols.

1. Adedokun BO, Morhason IO, Okonkwo SN, Ojengbede OA. Sexual activity and urological morbidities among Nigerian menopausal women: Findings from community-based survey (2014). Annals of Medical Health Sciences Research Vol. 4, 206-9. *(Nigeria)*

2. **Ojengbede OA**, Morhason-Bello IO (2007). Local anaesthesia: An appropriate technology for simple fistula repair. *International Journal of Gynaecology and Obstetrics*; 99, S75 – S78
3. **Ojengbede OA**, Morhason-Bello IO, Shittu O (2007). One stage repair for combined fistulas Myths or reality? *International Journal of Gynaecology and Obstetrics*; 99, S90 – S93
4. Morhason-Bello IO, **Ojengbede OA**, Adedokun BO, Okunlola MA, Oladokun A (2008). Uncomplicated midvaginal vesico-vaginal fistula repair in Ibadan: a comparison of the abdominal and vaginal routes. *Annals of Ibadan Postgraduate Medicine*; 6(2):39-44
5. **Ojengbede OA**, Adedokun BO, Morhason-Bello IO, Kolade C, Okonkwo N (2010).
6. Childbirth Methods has effect on non-fistulous urinary incontinence amongst sub-saharan African women: Fact or Fallacy? *International Urogynaecology Journal and Pelvic Floor Dysfunction 2010 Jun 18 [Epub ahead of print]*
7. **Ojengbede OA**, Morhason-Bello IO, Adedokun BO, Okonkwo N, Kolade C (2010) Prevalence and the associated trigger factors of urinary incontinence among 5,000 black women population in sub-Saharan Africa: Findings from a community survey. *British Journal of Urology International* (Accepted June 2010)
8. **Ojengbede O**, Shittu O, Morhason-Bello IO, Ladan H. Paradigm shift in the management of vesico-vaginal fistula. . In: *Health sector reforms and maternal health. Proceedings of the 39th Annual General Conference of the Society of Gynaecology and Obstetrics of Nigeria (SOGON) – “OLUYOLE 2005”*. Ed. Omigbodun AO, Olayemi O, Oladokun A, Ladipo OA.2006: Pg351 -352.
9. **Ojengbede OA**, Shittu O, Morhason-Bello IO, Ladan H. Local anesthesia: a low technology approach in the repair of simple fistula in poor resource settings. In: *Health sector reforms and maternal health. Proceedings of the 39th Annual General Conference of the Society of Gynaecology and Obstetrics of Nigeria (SOGON) – “OLUYOLE 2005”*. Ed. Omigbodun AO, Olayemi O, Oladokun A, Ladipo OA.2006: Pg 353 – 354.
10. **Ojengbede OA**, Morhason-Bello IO, Kawu AA. Obstetric fistula and its youthful precursors in Nigeria. In: *Improving Maternal Health MDG 5: The road map.
